

Letter to Santa from J'Adore

Dear Santa,

My name is J'Adore, and I am 10 years old. This year, I have learned a lot about responsibility and being kind to others. I try to help my family, listen, and do well in school. For Christmas, I would love a gift that will make me smile, but I also want to wish for health and happiness for my family and friends. Thank you, Santa, for bringing joy to children everywhere. I believe in your magic, and I will be waiting with cookies and milk for you on Christmas Eve.

With love,
J'Adore ■
