

Letter to Santa from Ja'Kyla

Dear Santa,

Hello, my name is Ja'Kyla, and I am 12 years old. This year, I've been working on being a good role model for my younger brother and sisters. Sometimes it's not easy, but I want to set a good example and show kindness. For Christmas, I would love something meaningful, but more than that, I just want my family to feel loved and blessed this holiday season. I appreciate the magic you bring every year, and even though I'm growing up, I still believe in the spirit of Christmas.

Yours truly,
Ja'Kyla ■♥■
