

Letter to Santa from Shemarionn

Dear Santa,

My name is Shemarionn, and I am 9 years old. This year, I've been working hard in school and trying to be more helpful at home. I know I'm not perfect, but I really do try my best every day. For Christmas, I would be thankful for something special that shows you know me. But what I want most is for my family to have a joyful Christmas together. Please tell Mrs. Claus and the reindeer I said hello, and thank you for everything you do to make the world magical.

Sincerely,
Shemarionn ■
