Dear Santa, ★
Hi! I hope you and the elves
are doing well and getting ready
for **christmas**. I've been trying
my **best to be good** this year,
help out at home, and
do well in School. ★

For christmas, I would really
love a few things:

- **A Playstation 5**
- **A drone**
- **A pair of black Nike Air Force Sneakers.**

Thank you so much for all the joy
you bring and presents every year.
I will have milk and cookies at my
house. Signed Eden S. ★
