

Dear Santa, I ask of You to
Please get me some of these things for
Christmas.

noodle ramen bowl

Can or may I get
this ramen bowl for
Christmas because
I really love noodles
and hope I can eat
them in a proper and
classy bowl.

Polaroid camera

may I get this
camera so I can
capture moments and
have to print
out the photo

May I get a blue
Stanley cup so I can
drink more stuff and
finally have a cup of my
own.

Sincerely, Kayanne
