Santa Claus
The North Pole

Dear Santa Claus,

Merry Christmas! Are you and your elves busy getting ready for the holidays? My family sure is!

I have been very good to my parents, ^{listening} listening to them
when they ask me to always be a good boy. I'm
very smart. I like watching learning videos and
singing along to nursery rhymes. I also like
canting along with Ms. Houston whenever I watch
one of her learning videos. I been very good Santa

This Christmas, I hope you can bring me:

- ◇ Fidgee tags
- ◇ Slot car race track
- ◇ Magnet Blocks
IPad (for learning)

Love,

Aceayus Amos
