

Dear Santa,

My name is Armani.

I love dinosaurs and cars. I would love a dinosaur table where I can play with my dinosaurs. I would also love a new bike, clothes and more dinosaur toys (anykind). I've been good all year and plus we just moved in Altgeld and it would take some stress off mommy for the holidays.

Armani

(I'm writing this for my 3 year old because he can't write that good yet!!)
