

Dear Santa,

Hey Santa my name is HaDen Wright
and my mother is my rock, my Primary
Caregiver, She Selflessly takes care of
~~me~~ me and my sisters. Unfortunately,
my mother had to take a leave of absence
from work after we found out my sister
has Cancer, and She has been dedicating
herself to ensuring my sister receives
the best care possible. it's been a challenging
year for our family. I would love for you to
help lift some of the burden off my mom's
shoulders this Christmas, so we can all breathe
a little easier

Love,

 HaDen
