Dear Santa,

My name is Kamaura. I am 12 yrs old and is in 7th grade. I am a A honor roll student. I am in many sports and I love to play with my friends and siblings. I really love nails and beauty products on my spare time. What I would really love for Christmas is for my mom to smile and heal properly. She was in a bad car accident this year with 47 bones broken losing her job and spirits. But she still manages to try to keep a smile on her face when me and my siblings around. I help her as much as I can also. But, if I could ask for another thing is clothes and nails.

Love,

Kamaura
