Santa Claus
The North Pole

Dear Santa Claus,

Merry Christmas! Are you and your elves busy getting ready for the holidays? My family sure is!

I have been Very good and have improved in
School and at home. Thank you for
giving me a chance to ASK for
X-MAS gifts.

This Christmas, I hope you can bring me:

- ◇ Blue Tooth Head Phones
- ◇ Drone Quadcopter
- ◇ Sports Ball

Love,

Logan Somerville
