Santa Claus
The North Pole

Dear Santa Claus,

Merry Christmas! Are you and your elves busy getting ready for the holidays? My family sure is!

I have been very good in school and summer camp
this year. I always help my mom and
I'm good at cleaning my room and wearing
my uniform everyday

This Christmas, I hope you can bring me:

- ◇ Slot car racetrack
- ◇ Drone Quadcopter
- ◇ Electronic Drum Set

Love,

Namir Nelson
