Dear Santa,

Marcus & Noah are good children in school and at home. We get good grades and participate in activities. We listen to our parents. Some things we would like for Christmas this year are shoes, clothes, and most of all toys. Marcus & Noah love cars & Trucks big and small. We like motorcycles, 4wheelers, Spiderman, Captain America, Dinosaurs, we like arts & craft and we like to build legos. We would like to get a tall race track. We like football and basketball.

Love,

Noah & Marcus
