Santa Claus
The North Pole

Dear Santa Claus,

Merry Christmas! Are you and your elves busy getting ready for the holidays? My family sure is!

I have been being a good girl. And
getting good grades so that I
can be on your nice list.
Hoping that my wish come
true.

This Christmas, I hope you can bring me:

- ◇ Kitchen Play Set
- ◇ Kids and activity table
- ◇ baby alive doll

Love,

Riley
