Santa Claus
The North Pole

Dear Santa Claus,

Merry Christmas! Are you and your elves busy getting ready for the holidays? My family sure is!

I have been doing the best that I can. I
struggle w/ math, but I am now in
tutoring. My behavior is good, I just
talk to much sometimes.

This Christmas, I hope you can bring me:

- ◇ Ripster Casterboard
- ◇ Basket-ball Hoop
- ◇ Sports ball (Basket ball & football)

Love,

Romero Thomas
