

Dear Santa,

My name is Tahir, I am 7yrs old. I am a kid that have a creative imagination. I love to draw on my tablet. I like making up stories of the characters I draw on my tablet. I like drawing because I have a hard time reading. I am good at math and science, I can even do multiplication. Besides drawing I do like buiding stuff like towers and statues and pretend its real. I really like sonic, and I saw all of the movies.

Love, ♥♥♥
