

Leoni Ellenbird

Dear Santa for christmas I would like World peace, Food and shelter for everyone and for Trump to not to be nice (That would take a miracle) Something for the myself I would is a starley/Awala, ~~it~~ some healthy skincare, and some haircare. Finally please let my Best friend Luciana get whatever she wants and also my Bestie train and please protect me and my family! T/H/TANKS 400!

P.S. I would also really like the role of annie or any orphan, snow stars in greater boston stage production

and maybe a cozy pair of pjs or a blanket or etc
