Hello: My name is zeniyah Blakely

I am Eight years old and I am Autistic and have ADHD So I would first love to have something Educational To help with my studies like(drawing Board or learning computer secondly I would love a new baby Doll to love and treat as my very own lastly Please get my big brother something he is 13 years old and has cerebral-Palsy and He really loves remote control cars

Thank you so much and Bless you

1. Drawing Board or learning tablet
2. Baby Doll & clothes
3. Remote control car (Brother)

Signed: Zeniyah B
