

Dear Santa,

How are you? My name is Billie, and the
* three things I would like is more stickers like
Strawberry Shortcake and My little Pony because I
really like to decorate my things. For education I would
like a 6 months of a Duolingo because I'm learning the
Piano. A family need is love, food and fun. I hope you *
have a great rest of your day!!

Handwritten lines for additional text, mostly blank.
