

Dear Santa,
How have you been? I hope you,
Mrs. Claus, the elves, and the
reindeer are all doing great. Have
you been busy getting ready
for Christmas? I bet the North
Pole is really cold right now.

If it's not too much trouble, I
would love to ask for some
lip gloss, because my lips need to
pop lol. I would also like to ask
for a pink purse and some hair
accessories.

Please tell the elves I said hi!
and give Rudolph a big hug for
me. See you soon!
