

Dear Santa,
How are you doing? I hope you and Mrs. Claus have been staying warm. I hope you are making sure that the elves are keeping up with all the toy making. Also does Rudolph still have a red nose?

While I have you, I would like to ask for some things. Only if that's ok. I would love to ask for some Hello Kitty items and accessories, charm bracelets, and an espresso machine for the family. Can't forget about them.

Thank you for all that you do, Santa. You make the world a little brighter every year.

Harlem

Love, Harlem
