

Dear santa for Christmas I would like a Plastic lightsabers because I want to be a Jedi with my stepbrother and another reason is because I want to play with them. I would also like mechanical pencils because I need them for school and I prefer mechanical pencils because you write nice and neat. Finally I would like led lights I would like that because it would look nice in my room because me and my brother loves lights so do I like lights too it helps me fall asleep faster. I thank you santa merry Christmas.
