

Dear Santa,

My name is Makhi. I'm in the 2nd grade. I go to forest hill school. I'm writing this to you to tell you I've been good in school and at home. Since I've been good, I wanted to request some gifts from you. Could I please receive the following:

1. Calculator.
2. Ninja toy.
3. Mouse clicking controller.

Thank you, Makhi.
