Dear Santa, My name is malijah
* I am 11 years old and I live in
Philadelphia. This year tried my best. Here
are the things I would like for Christmas
this year. First I would like a Peary color
Stanly cup 30 oz. Why I want that is because
it will keep me hydrated. Also imboke
my drinking of water. Next I would want
a book called Sage lifestyle. My last
thing I'm hoping for is a lulu lemon
purple and gold belt bag. Why because
I love the color Purple light Purple
at that and gold go with every
thing. But something then gifts I wish
for a happy new year. Thank you
Santa I will make sure to leave some
milk and cookies I will make sure
I have them warm and ready for you
Claus and a carrot for the reindeer.
