

Dear Santa MY name
is Sage. I am 10 Year's
old. I live in Philadelphia. This
Year I have been mostly
good but I have been
trying. The first thing I
want is a blue coloring
30 oz Stanley. I want a
Stanley because it will keep
me hydrated, also will improve my
drinking. The second thing is
a book called Malinda's in
charge. I want that because it
will help me read more. The
third thing I want is crocs.
I want crocs because there
easy to put on. But mostly I want
is a good year. I'll leave you milk and
