

Dear Santa it's the time we  
meet again,  
for Christmas I would like a  
dinosaur plush. I want a dinosaur  
plushie because I like dinosaurs  
and they look adorable. I would  
also like pencils for school because  
I might run out of them. Lastly,  
I want a little lamp for my room  
because it would look nice in my  
room. Plus it would keep the  
electricity bill low!
